

ELKAY®

EZH₂O™

ONE Solution Location

Elkay® EZH2O™ provides one solution for all drinking water needs. Ideal for education, fitness clubs, healthcare and hospitality facilities. Whether you want to fill your sport bottle or just grab a quick drink from the water fountain, EZH2O meets all needs in one location.

- 3 times faster than a standard drinking fountain
- Electronic sensor provides touchless, sanitary operation
- Automatic 30-second shut-off timer
- Integrated Silver Ion Anti-Microbial protects against mold and mildew growth
- External Visual Filter Monitor indicates when filter needs changing

The EZH2O™ provides a rapid fill of filtered water to quench thirst and minimize plastic bottle waste in the environment!
