

Chameleon® Uplight

Attractive & Stylish Wall Mounted Flying Insect Control Unit

Attractive and stylish wall mounted system: the perfect choice for public areas where flying insect management needs to be discreet e.g. front-of-house in restaurants. Disguised as a wall sconce, the Chameleon Uplight is easily mounted on the wall for years of reliable service.

- with 15-watt shatter resistant uv lamp
- with full size standard high quality glue board
- dimension 470(L) x 220(W) x 210(H) mm
- net weight 4.2kg
- coverage 40 m² (430 ft²)

Standard model

- stainless steel casing
- power 220V / 50Hz / 1ph

Custom model is available upon request

- white casing
- power 230V / 60Hz / 1ph

Populations of smaller flies are on the increase. The Chameleon range of sticky trap units catch all sizes of insects, including smaller ones which may be missed by traditional methods of control.

Protect your customers from these nuisance pests and the potential health hazards they may cause.
